Personal

I live in Skåne. In my small business *In My Mango Tree* I offer Environmental, Planning and Ecology Consulting Services. I also do import and sale of craft and design from southern Africa. I believe in making personal connections between people, cultures and businesses. I also want to restore connections between humans and nature.

Bromölla, Chairperson of Skräbeån Waterboard 2002-2015), Ewa Wemby and Ulrika Tollgren (chairperson Ivösjö Committee 2011-2014 and 2015-
respectively). Contact details on request, mail@inmymangotree.se
